Good morning Beverly,

The text has been changed to black, and the final PDF version can be found attached. I will send the word files in a separate email shortly.

Best,
Joe Donlon

Joe and Chris,

It looks like the message below went through to everyone but the two of you. I deleted the WORD file so that it would push through the mail system.

Joe and Chris,

The only comment is to convert the text on page 4 from blue to black in the WORD and pdf files. Please revise the date of the files and submit the WORD and pdf files as final.

If you have any questions, please let me know.

Thank you,
Beverly

Beverly,

Christine and I don't have additional comments on the Calibration Well Summary. Also, I reviewed Ed's comments and they were correctly addressed in the report. Just a note that the changes are still in blue font in the PDF version.

Thanks!!

Alex

Subject: POS 18 Calibration Well Summary Investigation Report - final submittal

Alex and Ed,

This morning the attached documents were submitted for the final Calibration Well Summary Investigation Report. All of the documents are posted on the team site at this link,

https://usepa.sharepoint.com/sites/ORD_Work/LVconsolidation/SitePages/HOME.aspx?RootFolder=%2Fsites%2FORD%2FWork%2FLVconsolidation%2FShared%20Documents%2F00%20%2D%20Transition%20Management%20II%2F2017%2D05%2D18%20FINAL%20Calibration%20Well%20Report&FolderCTID=0x0120002862CFA0725B7E4CBCC090C15C128F66&View=%7BD8028B3E%2D37A7%2D4840%2D8C5E%2D829B8C5141D9%7D#InplviewHash8725d19c-0c52-4328-bd9f-f2ae876a9e27=

I have checked the document for inclusion of comments that were provided from the review of the draft document. The only thing I see is the text on page 4 is blue rather than black in the pdf.

By **COB Tuesday, May 23rd**, please confirm that your comments have been correctly incorporated. Once I have received your confirmation the document will be finalized. No signatures are required.

Thank you,
Beverly
